PCW to Take Part in Lilly Foundation Study

At their July meeting the session unanimously voted for our church to take part in the 2nd phase of the *Unbinding the Gospel* study sponsored by the Lilly Foundation. The first phase of this study identified characteristics of growing mainline churches. They learned that growing congregations did not fit a political or theological profile; some were unabashedly conservative and others unabashedly liberal. Surprisingly, they discovered that growing churches were not the congregations that talked the most about evangelism.

The study found that growing congregations had three things in common: 1) The members had a vivid, life-giving spiritual life. 2) The members felt comfortable talking about their spiritual life with one another. 3) The congregation was not focused inward, but outward toward their community.

In the second phase of the study, the Lilly Foundation would like to learn whether other congregations can replicate these characteristics. Towards this end, the *Unbinding the Gospel* project has developed a plan for developing the spiritual life of members that they are asking congregations to test.

Before and after the session voted to take part in this study, I was on the phone with the research consultant who heads this study, Martha Grace Reese. She told me that we are the first large church in the Northeast to take part in this study. She said she was thrilled because we fit a tough profile for mainline congregations.

What does this mean?

This fall we will be seeking to engage 20% of our worshipping congregation in small groups and praying daily using a 40 days of prayer devotional guide. We are especially interested in getting church leaders in-

involved. (On this front, I would add that leadership in this church is not a closed circle, we invite anyone who feels led to experience a deeper relationship with God to speak to any pastor about participating in this.) Assuming things go well, next Lent we aim to involve everyone in our congregation in 40 days of prayer and small group experience. So start clearing you calendar!

A group of members from the congregation have already gone through the 40 days of prayer to see whether it was right for our church. I can say that they are universally excited for other members to experience what they experienced: to be more focused on God, to see God working in some wonderful ways, to hear what other people are learning, and to be encouraged in developing the habit of prayer.

There may be side-benefits for our congregation to going through this experience. And I hope that we learn some things that will help renew mainline Christianity.

But the most important reason for you to take part in this is that it may help your relationship with God grow deeper and more meaningful. We've got a lot of work to do before we get started, so PRAY!!!!

“Prepare the Way for the Lord...” (Mark 1:3)

Like John the Baptist, the church has as its unique task to prepare the way for the Lord. What does this task look like in action? As I write this, Vacation Bible Camp is in full-swing. The volunteers and staff people putting their efforts into this week are preparing the way for the Lord to impart a life-giving knowledge of who God is and how God loves the world into the minds and hearts of these children. They are doing this by teaching, leading songs, preparing snacks, setting up decorations, and more. All of this prepares the way for the Lord to use these very simple and human acts to work in the lives of God’s children, and thus prepare these children for a life of becoming instruments of God’s love to the world around them.

Simultaneously, downstairs in Assembly Hall, PCW hosted Camp Helping Hands (run by Intensive Therapeutics). This camp provides an opportunity for children with hemiplegia (a paraly-

sis on one side of their body) to come from around the US and around the world with their families and benefit from physical therapy with experts in the field as well as from community with one another. Some of the siblings of those enrolled in Camp Helping Hands helped out with VBC as well.

The pairing of VBC and Camp Helping Hands as simultaneous camps was a picture of God’s love proclaimed and God’s love applied. Each camp has prepared the way for the Lord to reveal what exactly the Good News of God’s love tangibly means for particular people.

Likewise, each of us is invited by God to prepare the way for an encounter with the Lord as we offer our moments and days as potential instruments of God’s love in the lives of those we encounter.

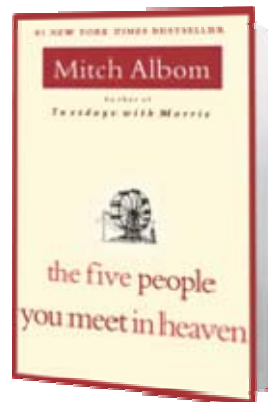

-Rev. Mike Samson

Calling ALL Seniors

Mitch Albom, author of “Five People You Meet In Heaven” and “Have a Little Faith” will speak on Wednesday, September 14, at The College of Saint Elizabeth.

Tickets are \$25 for adults and \$15 for Senior Adults and can be purchased by calling 973-290-4378.

It will be a wonderful evening!

The Men’s Fellowship Group Wants You!

The men’s group meets on the 1st and 3rd Saturday of the month from 7:30 a.m. to 9:00 a.m. in Assembly Hall for great breakfasts and lively group discussions.

Over hot coffee, cereal, fruit, eggs, bacon and bagels this group of all ages discusses a wide range of topics contemporary, newsworthy, philosophical and spiritual. Guest speakers from outside and inside the church lead some of the topics.

The purpose of the Men’s Group is:

1. To love God, and be the best we can be as men, husbands, fathers and friends.

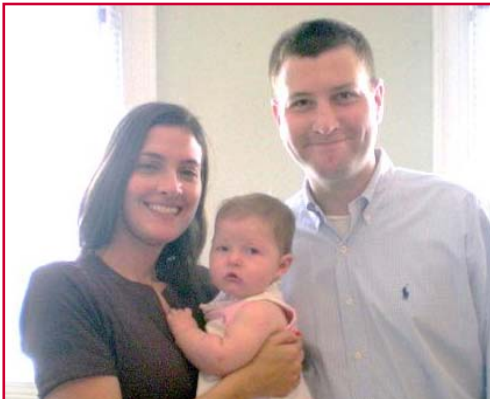

- 2. To build trusting relationships
- 3. To explore how to be a Christian Man in a modern world.

Our first scheduled meeting of the new season will be September 17th.

The Fifth Annual Men’s Retreat was held in January and Dr. Martin Cook was a wonderfully engaging, knowledgeable retreat speaker. The group enjoyed the relaxation, engaging speaker program and fellowship. The men’s retreat will occur once again in January 2012 in Long Beach Island, NJ.

Meet Our Newest Members!

During the months of June and July, The Presbyterian Church in Westfield welcomed the following new members into the PCW family:

Lauren and Mike Burack are pictured left with their daughter Addison. Lauren grew up in the Presbyterian Church. Mike Burack says "My mother has always been a support of church and faith in general....she encouraged me to be a part of "any" church I want." Mike comes to us by reaffirmation of faith from a Roman Catholic background. A graduate of Lafayette College, Mike is employed by the Bank of New York Mellon. Lauren is VP of Marketing at IFC. The Buracks are looking forward to the many family activities that they can participate in with Addison as their daughter grows in the church family of PCW.

Ben and Carolyn Boisvert pictured left, were attracted to the church because of its "strong sense of community." Ben is an engineer/project manager for Weeks Marine, Inc. The Boisverts both attended Bucknell University and Carolyn is a 4th grade teacher in the Montclair Public Schools. Ben credits the influence of his grandparents and Carolyn cites her parents as being instrumental in the growth of their faiths. Carolyn and Ben are looking forward to the many service opportunities offered at PCW. Look for Ben as an usher! He listed that service as one way that he plans to get to know people better.

Becoming a Member of The Presbyterian Church in Westfield

Interested in joining PCW and becoming an official member of the congregation? If the answer to this question is YES, your next step is to attend one of our New Member Seminars. Our next seminar will be held from 11:30 p.m. to 3:30 p.m. on Sunday, October 9, 2011.

The information packed seminar, presented by Rev. Roberts, will include a general history of religious movements in the world and move to the specific events of the Presbyterian Church. Included in the afternoon will be information about our own Presbytery of Elizabeth and locally to The Presbyterian Church in Westfield.

The class includes lunch and a time for fellowship with others who are also considering joining the church. Childcare is always provided during our seminars.

Our New Members' Seminar is a requirement for membership at PCW. There is another session on the calendar for Sunday, November 20, 11:30 p.m. to 3:30 p.m.

Any questions may be directed to The Rev. Dr. Ray Roberts (rroberts@westfieldpc.org), or to The Rev. Michael Samson (msamson@westfieldpc.org) or to Gail Hein, Co-Moderator of the Outreach and Welcome Commission, (gailandalhein@verizon.net).

We know that this is really planning ahead to be announcing a class for October, but we realize that people have busy lives! Prayerfully consider your membership in the church. Join us as we celebrate and rejoice in your journey of faith with us.

Calling All Families: Your Support is Needed!

NEW VOLUNTEER STAFFING PLAN: Beginning in Fall 2011, the Children and Families Ministries Commission is asking each family (one parent) to volunteer for either Sunday School or C.O.W. (Church on Wednesdays).

Although we are working on the scheduling details, we estimate that each family (one parent) will be scheduled eight Sundays or Wednesdays

a year. We realize this is a new direction, however, one that we feel is sorely needed in order to support our two biggest children's programs.

Thank you for your support of Sunday School and Church on Wednesdays (C.O.W.)! We look forward to having everyone involved.

Treasurer's Report

<u>ANNUAL OPERATING FUND Results</u>	<u>ACTUAL for 6 mos 2011</u>	<u>ACTUAL for 6 mos 2010</u>	<u>ACTUAL for 6 mos 2009</u>
Total Annual Operating Fund Receipts	\$672,799	\$613,407	\$652,786
Total Annual Operating Fund Expenses	<u>\$718,169</u>	<u>\$703,243</u>	<u>\$710,406</u>
YTD NET for the Ann Oper Fund	<u>\$(45,370)</u>	<u>\$(89,836)</u>	<u>\$(57,620)</u>
	<u>Projected</u>	<u>Actual</u>	<u>Actual</u>
Budgeted Full Year results	\$(122,440)	\$(169,794)	\$(88,684)

Net loss through June 2011 amounted to **\$(45,370)** vs June 2010 of **\$(89,836)**, as shown above. This year's receipts include \$35,000 of investment income that was not included in the budget in prior years. The good news is that offerings are \$20,000 higher than last year at this time (with the rest of the difference related to higher rental fees this year vs. last.)

Activity in the Annual Operating Fund represents the bulk of church financial operations. All Annual Pledge Campaign receipts, plate collections and fees from facility rentals make up the revenues. Costs for many of the church's ministries and programs, plus all costs for regular church facility maintenance are recorded in the Annual Operating Fund.

Additionally, there are nearly 70 additional active funds with specific designations. Including these funds (which have varying level of activity), the consolidated financial summary information is shown below:

June 2011 Financial Results across all funds

	<u>6 mos 2011</u>	<u>6 mos 2010</u>	<u>6 mos 2009</u>
Total Cash Receipts (including investment gains & losses)	\$982,544	\$581,617	\$922,536
Total Cash Expenditures	\$937,686	\$1,329,797	\$924,126

On the surface, this looks very good: however, note that ALL but \$44,000 of this year's higher income is due to good capital markets performance. That is, strong investment gains have been realized YTD in 2011 (equal to \$195,000). Last year through June, investment losses were (\$162,000), thus the difference between the two years totals \$357,000. Eliminating this "swing," the non-investment-related cash increase for 6 months of June 2011 vs June 2010 is only about \$44,000.

"Regular" expenses are actually \$61,000 higher through June 2011 as compared to the same period last year, but very much in line with the same period during 2009. Through June 2010, the purchase and closing costs for the church manse amounted to \$453,000, so that "normalized" expenses last year were \$876,000.

Major Roofing Improvements Pending!

At its July meeting, Session voted to move forward with special roofing repairs that are desperately needed. This project is currently underway and will be funded from the Unrestricted Endowment. More information is sure to follow!

—Marybeth Lapham

Expenses remain steady throughout the year (given that staffing is 2/3 of the overall budget), so please try to keep current on your pledges during July & August!
