

Update From Our Senior Pastor

In June, we are planning a major expansion of our worship offerings here at The Presbyterian Church in Westfield. We will have in-person, indoor worship on **Sundays at 10am** in both the Sanctuary, and Westminster Hall for our *wired* worship experience. We will also maintain our at-home **worship packets** and our weekly digital worship on **YouTube** and **Facebook Live**. This has all been made possible by rapidly changing conditions in our local area. Governor Murphy has lifted many restrictions- following the recommendations of the Centers for Disease Control and Prevention; therefore, our lives are slowly returning to what once was. (Please note: at some point in the future, we look forward to returning to our 8 am worship in the Chapel.)

SO WHAT DOES THIS MEAN FOR IN-PERSON WORSHIP AT OUR CHURCH?

We want worship to be a place that is safe and comfortable for everyone. I am grateful for the combined efforts of our Communications and Worship commissions shown below. To respect the many different thoughts we each bring on risk and safety this is what we are asking of you.

Masks:

- Fully vaccinated members may choose to wear their masks for the safety and comfort of others.
- Unvaccinated members are to wear their masks.
- Masks must be worn for singing and humming.

Social Distancing:

- For the safety and comfort of all members we will continue to keep social distance seating in place.
- You can seat yourself. Blue tape markers will indicate where you can sit in the Sanctuary. Chairs will be grouped appropriately in Westminster Hall.

Pre-Registration:

- We will no longer require preregistration. It is okay to just show up.
- We will no longer require temperature checks.

I am grateful for Josh McMahon, Nancy Smith, Pam Shaw, Beyanka Wheatley, Dr Bill Ainslie and the Worship Commission, along with a large number of other leaders in our church who have worked on this plan and its communication. Please look to our website and social media for updates and a "Frequently Asked Questions" resource to stay on top of changes over the summer.

Clerk's Corner Highlights of the May 11, 2021 Regular Session Meeting

Examination of Elders Elect and Deacons Elect

- The Elders and Deacons that were elected in March 2021 attended the May Session meeting to be examined by the current Session. Jeremy led the “open book” examination with questions on the Confessions; the form of government with discussion about “shared leadership” between Ministers, Deacons and Elders; and discipline emphasizing that the underlying fabric of the Presbyterian judicial system is to help heal, not to punish. Everyone was put into small groups to hear each person’s faith journey and why they said “yes” when they were asked for the specific position. When the group was back together Jeremy made the motion for the people that were examined to be ordained and installed. The motion passed unanimously.
- The Ordination/Installation vows will be part of the 10am online service on Sunday, May 23, 2021 (Pentecost Sunday).

In person Worship

- In person, inside worship on Sundays at 10 am with traditional in the Sanctuary and contemporary (wired) in Westminster Hall will start in June.
- The 8 am Sunday service will be “on hold” for the summer.
- The online service on Sundays at 10 am will continue.
- Home Delivery bags will continue to be distributed.
- As requirements are changing almost daily, please check future emails and the website for new “Frequently Asked Questions” to see what will be required when attending indoor worship services.

Session Updates:

1. Generosity Program Update- Gary Zanfagna said that he is passionate regarding the Generosity ministry and Erik Ley’s guidance and knowledge. They are learning to rethink how we approach giving and stewardship. Mike Canavan and Liz Fischer are the co-chairs that are working directly with Erik. Erik has reached out to some households and plans to speak with approximately 20 households about PCW. Gary emphasized that Erik is here to help us be better stewards and to educate us on how we can help ourselves.
2. Personnel Update- Gerry Lorenzetti reported:
 - Tina Barulli’s retirement date has been amended to 8/31/21.
 - Krista Aslanian has been hired as the part-time, temporary Christian Education Coordinator.
 - Tom Kort’s contract was extended until 12/31/21.
 - A subcommittee is reevaluating Tina’s job and exploring ways to be more effective and efficient. This subcommittee is in the “research” phase.
 - Personnel Commission and Staff has begun the annual evaluation process.
3. APNC Update- Courtney Nemeck reported that the APNC’s have been speaking with some great people. The two APNC’s are meeting together more frequently to discuss possible candidates. They are looking forward to scheduling onsite interviews which could not really take place earlier due to Covid.
4. Office and Property (O&P) Capital and Major Repair Policy Statement- Mike Quinlan explained that O&P wanted to have an established process for projects, so they created the document that was shared with Session prior to the meeting.
5. Office and Property Project Update- Michael Quinlan made the motion: “*Office and Property moves to approve the new lighting system in the Sanctuary at a cost of \$72,000*”. The quote was distributed prior to the Session meeting. Alan Smith said the monies for this project will come from Endowment funds. The motion was approved unanimously.

Celebration of Ruling Elder Ministries

Rev. Jinkins thanked Lisa Black and Barbara McLaughlan for their six years of ministry on Session as they faced many challenges and massive transitions.

Reflections on the last six years and hopes for the future by:

- Lisa Black- Lisa shared that ministers and Interim Ministers come and go but the members of the congregation are the church. She said she enjoyed the times of laughter and brainstorming. She thanked the Session for letting her use her gifts to serve the church. Her hope for the future is for everyone to use their gifts, share ideas, and move forward.
- Barbara McLaughlan- Barbara talked about the changes in ministers and music directors. She said that Worship Commission moved from “rubber stamping” to “being a part of the discussions”. She said that Paul Sanner has had an impact with new ideas for worship. Barbara’s advice for the future is hope based on Matthew 25.

PCW Staff Update

We are happy to announce three exciting staff updates at PCW!

First, please join us in welcoming Krista Aslanian to our church staff to serve as our Interim Christian Education Coordinator for Children

and Youth. Krista currently works as an assistant teacher for the Presbyterian Nursery School and Kindergarten. She has a Master of Arts from Boston University and experience working with children from ages 3 through High School. Krista and her family are members of PCW and Krista has volunteered as a Sunday school teacher.

Krista will be coordinating Faith Formation programs for children and Middle School aged youth. We are so happy to welcome her and learn from her enthusiasm and creativity! If you would like to get in touch with Krista, her email is: faithformation@westfieldpc.org.

Second, Rev. Tom Kort has agreed to extend his contract as our Parish Associate through the end of the year. Tom is a gifted teacher and preacher, whose contributions to the staff and life of the church during this uncertain time cannot be overstated.

Third, we recently announced Tina Barulli's plans to retire and are thrilled she has agreed to extend her plans for transition through August 31.

Book Groups at PCW

Summer Book and Discussion

We will continue our tradition of reading a book over the summer and discussing together in September. This summer please join us in reading Jesus and the Disinherited by Howard Thurman.

This book is reported as being a key source of inspiration to MLK Jr as he came to proclaim Christ's non-violent response to the world .

The following is a link to a copy of the book cover and the comments from the back cover:

<https://documentcloud.adobe.com/link/track?uri=urn:aaid:scds:US:9c322fb2-8958-4c56-acb7-703d20991268>

In addition to reading this book, we will be encouraging you to read a few extracts from other related authors to help round-out the message and teaching about Christ's invitation to participate in the Kingdom of God here and now. These include writings of Leo Tolstoy, Martin Luther King Jr, and Thich Nhat Hanh. Copies of these extracts will be shared with participants.

Hoping you will join in on this effort of discernment about Christ's call for us. Should be an interesting journey. Please share this information with others that may be interested in joining the discussion .

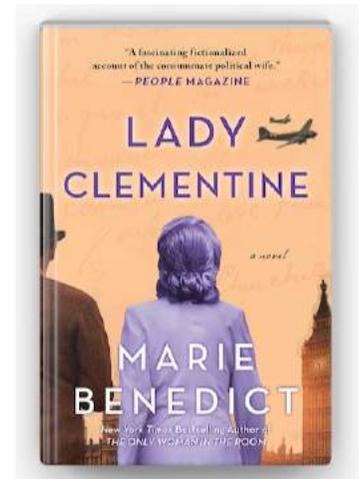

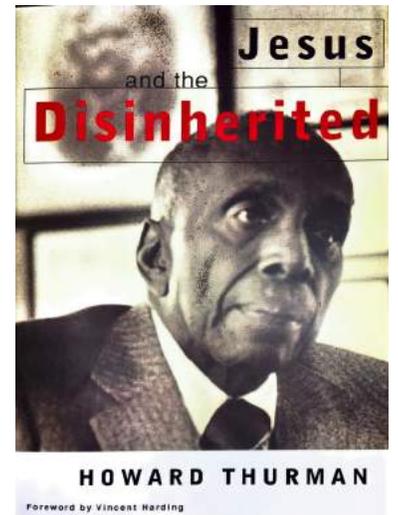

For more information, please contact Alan Smith, alandsmith518@gmail.com.

Lunch and a Book

While Lunch and a Book will not meet over the summer, our summer read will be Lady Clementine by Marie Benedict. We will meet in September to discuss this.

Lady Clementine is the ferocious story of the ambitious woman beside Winston Churchill. A partner who did not flinch through the sweeping darkness of war and who would not surrender to expectations or to enemies.

Thank you to all of our book group participants this year - we had some wonderful discussions about a number of very interesting and entertaining books!

Weedy Workers

Grab your gardening gloves, tools and a bucket and join us on the church grounds on Saturday mornings from 9:00 - 11:00 a.m. to pull weeds and spruce things up.

Shockingly, all of the weeds we pulled last year have reappeared and mulch needs to be spread.

No need to sign up in advance, just show up the morning of. Any questions, please contact Lisa Black, lmb.blacklaw@gmail.com

AGAPE LOCAL

The pandemic finally seems to be slowly heading to an end. While many of us want to look forward with hope and optimism, there are families and individuals among us who cannot share such a positive view. They have been and continue to endure serious consequences from the major disruptions that began in March 2020. Recent reports coming from Health and Social Services Agencies deliver the grim news that one in four families does not have enough to eat. We find it hard to imagine these statistics exist in America, but at least one study shows a 170% increase in food insecurity among families with children under the age of twelve. Households that never relied on any assistance before, found themselves jobless or with hours/wages drastically cut resulting in an inability to obtain life's basic necessities.

In answer to the hardships being endured by others, this church developed a program to help local families struggling to put food on their tables. It has been almost a full year through which PCW and members of this community have been working together to provide healthy, fresh food, and some essential household supplies to 107 of our neighbors in need. Each week, a list of specific requests is created and circulated in our email blasts and on our website. Church members and local residents we call "Friends of PCW" choose the items they wish to donate and deliver them to the Parish House. There were others who felt more comfortable sending monetary contributions. Those funds are used to supplement the food bags with protein sources (beef, chicken, turkey, etc.) and additional fresh fruit and vegetables. Every Friday morning, a small group of Agape Local Volunteers comes together in The Robinson Room to assemble the bags and distribute them to the families – all the while observing COVID restrictions.

These families truly are "the least of our brothers." If you are in a position to help this local effort – either by donating food items on the lists or making a contribution – we would welcome your participation.

Click this link for the list of weekly requests <https://signup.com/go/MpQDgNm>, and see if there is something you would like to donate to help ensure our neighbors don't go to bed hungry. Monetary donations can be made on our website (www.westfieldpc.org/give) or through Tina Barulli, Comptroller (tbarulli@westfieldpc.org).

For more information about the program, please contact Carole Cook, chcook22@yahoo.com.

The Rev. Dr. Diane Moffett and the Rev. Rosemary Mitchell spoke about the Matthew 25 initiative of the PC(USA). Their talk included the following slides. The Matthew 25 program is:

- Biblically Based
- Theologically Grounded
- Ecclesiastically Affirmed
- Practically Implemented
- Contextually Adoptable
- Affectively Life Giving

The Mission workplan is:

1. Build Congregational Vitality.
2. Eradicate Systemic Poverty
3. Dismantle Structural Racism.

Congregational Vitality:

The embodiment of Christian principles and practices that leads believers in congregations to actively engage the world, following Jesus in doing the work necessary to build God's kingdom.

Systemic Poverty:

- Systemic Poverty is the exploitation of people who are poor through laws, policies, practices, and an array of dynamics that lead to the perpetuation of an impoverished status.
- Poverty is lack of material and social capital to ensure basic wellbeing.

Structural Racism:

- Structural racism in the United States is the normalization and legitimization of an array of dynamics—historical, cultural, institutional, and interpersonal—that routinely advantages whites while producing cumulative and chronic adverse outcomes for people of color.

M. Vassar

- Structural Racism is a social construct designed to concentrate capital (material and social) within one group or race of people over others.

White Supremacy, White Privilege:

- White Supremacy is the belief that people differ along biological and genetic lines and that whites are superior to other groups.
- White Privilege is the advantage of having greater access to power and resources than people of color in the same situation do.

Matthew 25 Outcomes:

- Increase **spiritual energy** of congregations, mid councils, and other groups in the church.
- Increase **impact** of church in the world.
- Increase **new disciples** and participation in ministry.
- Ignite the Witness & Work of PCUSA and actively engage the world!

Matthew 25 Report- May 2021

- **43** Groups representing appx. 4,815 people,
- **821** Individual Congregations (10%)
- **9** Synods (56%)
- **65** Presbyteries (40%)

Under the above mid-councils' umbrella, there are **8,827** congregations of (9,000)

Following the presentation, we broke out into small groups to discuss the questions listed below. Everyone is welcome to continue to discern and discuss these questions during our ongoing weekly Zoom gatherings.

Questions for Discernment:

- What did you hear in the presentation that excited you? What caught your imagination?
- What is your church already doing that aligns with one of these foci: eradicating poverty, dismantling racism, or building congregational vitality?
- Our last small groups focused on the theme of creating welcome and hospitality as we become a new presbytery. How might Matthew 25 inform our creation of welcome and hospitality? Who are the least of these in your community? When have you been amongst them?

Ongoing Weekly Zoom Gatherings

Tuesdays at 1pm (all within the Presbytery)

Thursdays at 10:30am (ministers within the Presbytery)

The Rev. Carrie Mitchell of the Board of Pensions presented on some of the benefits available to our ministers, staff, and congregations. Rev. Carrie can be reached at (215) 587-7239 or cmitchell@pensions.org for any further questions or inquiries.

Links to all of these presentations, including the videos, can be found in the [meeting documents section](#) of the Presbytery of Northeast New Jersey website. The password to view the documents is NENJdocuments.

The offering collected at the meeting will be given to the New Jersey Institute of Social Justice. More information about this organization can be found at www.njjsj.org.

There will be a Called Meeting of the Presbytery on **Wednesday, August 4th, 2021 at 7pm**. Please keep an eye out for a registration invitation in mid-July. The next Stated Meeting will be held on **Saturday, September 11th, 2021 at 9am**. Please note that all Presbytery meetings will be conducted virtually on Zoom until further notice. If you have any questions, please contact the Presbytery Office at (201) 599-1111 or office@pnenj.org.

Howard Adams, Barbara McLaughlan, and Pam Shaw attended the meeting.
