

THE SPIRE

May 2021

The Presbyterian Church in Westfield, NJ // 140 Mountain Avenue // Westfield, NJ 07090

Looking Ahead. . .

As April closes out and May rises before us, we are seeing the first significant signs that restrictions of the pandemic are loosening. Members of The Presbyterian Church in Westfield have been reaching out more, wanting to know what can and cannot be done – and above all, asking when we will be back to normal.

This last question is probably the most important question of all! I want to know that as well. The short answer is, “I don’t know about ‘normal,’ yet.” However, our church leaders are optimistic for new opportunities on the horizon this spring. Already, some of our small groups are meeting onsite and indoors (reminder, we must still follow protocols for masks and social distancing), while other groups like our AA affiliates are looking to come back in mid-May as further restrictions are suspended. PCW on the Lawn is in full swing with youth events, Sunday worship, and other social gatherings on the way.

We are entering an exciting new phase for our church community. Within weeks we will have news for new programming and worship over the summer, including moving to indoor worship; we are mindful of limitations, but ready to take advantage of our new circumstances. More and more in-person opportunities are on the way, even while we continue to offer the online connections so that friends traveling this summer for vacation or the Shore can participate.

Through the coming month, be on the look out for different forms of communication to stay up to date and ‘in the know.’

— Jeremy

Clerk's Corner

Highlights of the April 13, 2021 Session Meeting

There was a lot of information shared at this month's meeting.

- **In person Gathering**

Jeremy said that in person gathering was originally planned to start during Lent but there was no decline in Covid cases. Vaccine rates are increasing so hopefully the case numbers will decline. As long as Covid restrictions are in place, any worship service we add will be a supplement to the online 10 am service.

Outdoor in person Sunday 12 Noon worship is scheduled to start on 4/18/21- depending on the weather. This service will be completely different from the 10am regular service.

- **Coordinated Technology Project**

Jeremy asked Martha Kieczkowski to coordinate the several independent projects that are currently in progress.

Martha's goal is that each project has a clear understanding of how their project enables PCW to meet our vision and mission.

She will be working with the project leaders in setting the PCW priorities, merging timelines (which will overlap), and facilitating communications between projects and leadership.

She presented a summary of the current projects and the names of the project leads. She asked if anyone knows of people with the specific skills that would be beneficial to any of the projects to please let her know.

Martha explained one of the documents deals with the governance structure. In particular, Session's role is to approve project deliverables, prioritize as needed among the projects and authorize the spending of money.

Session Updates

I. **Treasurer Update:**

Alan Smith reported that we have received approval of a second PPP loan in the amount of \$327,000. This will be split with 60% going to the PNS&K and 40% going to the church.

Alan asked the Session to reflect on the 2020 financial numbers. We had a strong, positive return on investments in 2020. He has a meeting tomorrow afternoon with the Auditors to hear suggestions on improving our budget/accounting processes. Jeremy thanked Alan for all the time he spent of applying for the loans. The loans have made a huge difference to PNS&K.

II. **Personnel Update:**

Gerry Lorenzetti reported that a committee of Faith Formation and Personnel will be interviewing a candidate for a part-time, interim CE Educator.

Gerry reported that Tina Barulli will be retiring. She will be staying to help with the transition. Gerry has put together a committee of Glenn DuMont, David Foltz, Liz Miller, Alan Smith, and Lou Ann to work on evaluating the position and researching the different ways of staffing the position.

III. **Church Management System:**

Laure Park & Liz Miller said that the reevaluation of the "data base" will now be called the "Church Management System" project. Laure said that "thanks" to Erik's suggestions they have seen demos of three systems. The front runner is a cloud based, app system. They are still doing reference checks. This system fully integrates everything but does not have a financial package. Our options are to stay with ACS or switch to a program such as Quick Books. There will be lots of process changes. There currently is no timeline and it will take much work to implement a new system.

IV. **Confirmand Examination and APNC Update:**

Courtney Nemeč said there had been a communication problem about the timing of Confirmation. Courtney and Jeremy met with Mason Gibbs to do the course work. He completed his Faith Statement and met with Courtney, Lisa Black, Pam Shaw, and Jeremy to be examined on April 6, 2021. He will be recognized with the other 2020 Confirmands in a service with a date to be determined.

Courtney reported that the APNC's are having lots of great conversations. Both teams meet regularly to share information and candidate information. Courtney asked for continued prayers.

V. Office and Property Update:

Mike Quinlan reported that there was a recent 24-inch water problem in the Choir Rehearsal room. They are still not sure where the leak came from. The good news is the room will be redesigned so that its use can be more flexible.

The building permits for Lower Westminster Hall were approved by the Town. Work will start on 4/30/21.

A request for approval for spending money on the lighting in the Sanctuary will be coming soon. O&P have a meeting scheduled with Somerset Media to see the product. The current system is outdated.

The walkway on the front lawn leading to East Broad Street will have the antique slates re-laid.

Correspondence:

1. Correspondence Received/Sent:

- a. Correspondence with Garrett Falzone about their move to California. He and his wife will remain active at PCW until they will find a church to transfer their membership. They will remain active at PCW until 12/31/21 at the latest.
- b. Received an email from Deirdre Gelinne, Westfield United Fund Executive Director, stating they have decided to look for office space in an area that is centrally located and accessible to the public. She thanked PCW for considering providing them office space.
- c. Received an email from Jeremy that he had contact with Dawn Mackey who let him know that the Westfield leaders have approached Streetworks (the company developing the Lord & Taylor property) about redeveloping the municipal side of the walk located in front of our church, linking Mindowskin and Mountain Ave. along Broad Street. This information will be shared with the Task Force looking at the plan for the front lawn.
- d. Jeremy received a request from Lisa Fraeble at Morristown PC asking for a reference on Somerset Media who they are considering using to investigate streaming services. Mark Fleder connected with her.
- e. Received a letter from Kueichu Hsu. She gave a donation of \$1,000 for the Revitalization Cemetery Committee at PCW commemorating the second anniversary of her husband's passing.

Administrative Business:

- a. **Motion:** Rev. Jinkins made the motion "To elect Howard Adams and Pam Shaw to represent Session at the Presbytery meeting on Saturday, 5/8/21 from 9-11 am via Zoom." **The motion passed unanimously.** Barbara McLaughlan and Jeremy Jinkins also plan to attend this meeting. Jeremy encouraged all Session members to attend and learn more about the new Presbytery. He said that PCW should take a leadership role at Presbytery as they have in the past.
- b. The Presbytery of Northeast New Jersey's meeting dates for the rest of the year are 5/8/21, 9/11/21 and 11/13/21 at 9 am. All are on Saturdays so there is no longer a conflict with our Session meetings.

Weedy Workers

Join us in the church parking lot on Saturday, May 8th from 9:00 -11:00 a.m. as we get started on another season of campus beautification!

Bring gardening gloves, garden tools and a "can do" attitude as we dig in, clean up and have a great time! Contact Lisa Black with questions, lmb.blacklaw@gmail.com.

New 50-Year Members Honored

In normal times, The Presbyterian Church in Westfield observes Senior Sunday in May to honor new Golden Anniversary members as well as all who have been members of our congregation for 50 years and longer.

While we cannot do that in person this year, we would like to share our newest honorees. Congratulations to those who joined our church during 1971 and continue to be members!

New Golden Anniversary Members:

Leslie A. Bischoff: She is a lifelong resident of Westfield. Her late parents, Jane and Barton Bischoff, were active in our church and Leslie still has the Bible she received when she was in the second grade. She became a member as a Confirmand. Now 65, Leslie was a veterinary technician early in her career and then spent 20 years as an X-ray mammography technician for a private imaging company in Morristown. Her hobbies are many: She enjoys knitting, playing the flute and has taken hiking trips to many parts of the United States.

Fran Faltermayer: Born in Charleston, W. Va., Fran was working for a small publishing company in New York when she met her future husband, Ed, who had a long career as an editor and writer with the Wall Street Journal and Fortune magazine. They were married in 1967 and lived in Brooklyn, N.Y., before moving to Westfield three years later. Their two children, Steven and Charlotte, grew up in the PCW. A grandmother of two, Fran, 81, spent 24 years as a teacher at The Wardlaw-Hartridge School. Her husband died in 2003. She lives in Westfield.

Audrey Farley: A native of England, she came to the United States when she was 5 and met her future husband, Terrence, while in high school in New York City. They were married at Mount Washington (N.Y.) Presbyterian Church in 1952. A graduate of Katharine Gibbs School, Audrey worked as a secretary for the company that made Thom McAn and John Ward men's shoes. The family moved to Westfield in 1965. Their three children, Elizabeth, Peter and Matthew, went to Sunday School at PCW. Now 89, Audrey did volunteer work at the Westfield Service League and at Overlook and Children's Specialized hospitals before she and her late husband moved to Fellowship Village in 2010.

Carol Fredericks: She grew up in Roselle Park and was raised as a Methodist. She met her future husband, Bill, a long-time active member of PCW, on a blind date in 1962 and they were married at our church by the Rev. Jim Cole in 1967. Carol, now 75, was an administrative assistant at an accounting firm in New York City before starting their family. Their two daughters, Allison and Susan, grew up in our church and Susan continues to be involved with the youth groups. Bill has served on a number of boards of directors. They live in Scotch Plains.

Gail Kender: With long-time ties to Westfield, Gail, 64, joined PCW as a Confirmand. She and her husband, Richard, were married at PCW in 1979 by the Rev. Dr. Richard E. Craven, who had also married her parents, Richard and Janet Hartkopf, in 1954 in Elizabeth. Gail and Richard's two children, Brian and Meredith, both were confirmed in our church. Gail and Richard, now retired, spend their time between homes in Vero Beach, Fl., and Mantoloking, N.J.

Jim Pinkin: A semi-retired sales and marketing executive, Jim now lives in Naples, Fla. He grew up in Garwood and received a BS from Fairleigh Dickenson University and an MBA from Seton Hall University. He formerly was an executive at CCG Marketing Solutions and Freedom Meditech. He and his late wife, Lois, had four sons: Jeff, Steven, Brett and Drew (Jeff and Steven live in Westfield and are current members of PCW). At age 74, Jim still is involved in private financing of startup medical device firms. He and his current wife, Susan, spend their summers on Long Beach Island.

David Rogers: Long active in church life, David and his late wife, Sandra, were Sunday School teachers in Townley Presbyterian Church in Union, where they were married, before moving to Westfield in 1967. Their two children, Diane and Craig, grew up in PCW. Six years after Sandra's death, David and Nancy Priest were married in 2000. David, born in Elizabeth 78 years ago, has been a Deacon and an Elder, served on and/or chaired the Cemetery Committee and Office and Property Commission, been on Session for 12 years and was Clerk of Session for more than eight years.

The Senior Network prepares and, except for the sermon, leads the Senior Sunday service each year. Normally, the new 50-year members are recognized during the service and then honored with a luncheon afterwards. Because the pandemic prevented these services this year and last year, our hope is that we can hold an in-person service next year and honor the new 50-year members from 2020, 2021 and 2022.

The bulletin for these services usually also lists the names of those with 50 years or more of membership at PCW. We list them here:

The PCW Technology Project

As you see us moving out of the pandemic with improvements in vaccines and infection rates, we are refocusing on our ability to live out our Church Vision and Mission:

Life change begins here.

We live out the love of Christ through connection, engagement and service, within our Church family and within the community.

Our experiences over the past year show us connecting and engaging our congregation in new ways along with tried and true approaches. We have learned to sustain each other in worship, learning, service and even fellowship using hand written cards, phone calls, emails, ZOOM, Face Book, You Tube and other creative methods. We have maintained the connection with our Church family members locally and beyond, and we have welcomed new participants from the larger community. Additionally, we have used new approaches to serve important local Mission work, welcomed members and continued to carry out the work of our leadership teams, including our Staff and Session.

Using our many lessons learned, your leadership is moving forward with several projects focused on updating and enhancing the technology infrastructure of our campus. These projects include: lighting, sound and projection capabilities to enhance our worship and learning experiences, and an updated office management system that will enable us to better keep you informed and connected. We are also looking to continue our “beyond our walls” connection to the broader community. In addition to these projects, there are facility projects to update our understanding of our space needs, including freeing up unused space for our programs, and efforts to enhance the welcome opportunities of our lawn and garden areas. Finally, there are the ever-present facility maintenance issues that remain a priority.

This update is to let you know that we are in the midst of establishing a team made up of the leaders for each of these projects. This team will work to ensure the coordination of projects currently in motion, to understand the overlaps and dependencies of these projects, and to ensure that we prioritize and schedule projects in order to deliver the best impact across our ministries, moving us all closer to our Vision. In our next update we will share more about the teams and the specific project goals. **In the meantime – If you know someone with specific skills or interests, that you think could be of help please let me know, and I will send the suggestions on to the team leaders.**

Also . . .

A BIG Thank you to everyone who prepared materials for our **Online Lent Devotions**. We had submissions from Robin Ince, Amy Mockbee, Nancy Smith, Pam Shaw, Lorraine Ruprecht, Shannon Crooks, Brooke May, Patty Chen, and Lisa Black. The kids had a great Easter Sunday virtual egg hunt to end a wonderful Lenten season.

Worship On Wednesday We also wrapped up our (WOW) program in April. Thank you to Paul Sanner for making music with us! And thanks especially to all of the families who participated, to the children for creating their Bible story forts and being such enthusiastic participants!

Online Zoom Sunday School continues each week. We will be reaching out to families to fill the teaching slots each week, so please help out if you are able. Online Zoom Sunday school is from 9:30am - 9:50am every week. All children from pre-K to 5th grade are welcome to attend!

Vacation Bible Camp is coming around again. Surveys have gone out to families as we plan for this summer's VBC. Please look for more information to come!

Clothing Drive for Agape Local

Many thanks to all who donated to our Clothing Drive Fundraiser!!

We nearly filled a truck and raised funds for our Agape Local grocery box program!

Special thanks to Jim Kajosevic, Terry Spurlock, Patty Bond, Carole Cook, Bob Smith, and Gerard Kieczkowski for their help with logistics, collection and truck loading!

Be on the look out for another clothing drive coming this fall!

Notes from the Presbytery of Northeast NJ Meeting

March 13, 2021

Meeting started at 9:00 a.m. with the Installation of the new Moderator – Rev. Dr. Wanda Lundy and the Vice Moderator – Rev. Kirk Woodward.

The new logo for the Presbytery was introduced – it is in “Presbyterian blue” and is a combination of three crosses symbolizing the joining of the three Presbyteries.

Nominations were presented by the Vision team – a group of twelve members who reflect a cross-section of all three presbyteries. The twelve candidates were approved.

Nominations for the leadership positions were presented – Co-Leaders were offered – Steve Houston (from the Newton Presbytery – in ministry since 1997) and Jeremy Campbell (from the Elizabeth Presbytery – in ministry since 2003) – they will serve a three year term that can be renewed. There was extensive discussion regarding the fact that the leadership team does not reflect the diversity of the Presbytery. There were 34 PIFS received – 19 males, 15 females; the committee heard 11 of the prospects preach; 6 candidates were interviewed; the position was offered to two candidates and they accepted. The nominations were accepted and their terms of call approved.

Rev. Dr. Alonzo Johnson gave the homily on John 3:14-21 – through Jesus there is hope in difficult times; we are called to raise the healing staff in the world – in our work, in our churches. We need to lift our hands and prayers to support those who need to see the hope of Christ. Be open to God’s call to lift up Jesus in a place of hopelessness. The church should be the place of healing and hope and love.

Report on Giving – The Presbytery is working with CASA – providing gift cards for foster children ages 16-21 who are under CASA (Court Appointed Special Advocates) supervision; NJ Reentry Corporation – providing survival kits, training, assistance to those coming out of prisons; United Community Corporation – food for food pantries.

Report on Learning - Self Development of People – committee addressing reparations; racial inequality and creating opportunity. The church has been historically been effective in working within communities to meet the needs of people. This group receives funds from One Great Hour of Sharing.

Resources available for Self-Development of People. <https://www.presbyterianmission.org/ministries/sdop/sdop-sunday/>

Report on Organizing – Jeremy Campbell – Provisional Structure and Administrative Manual – all of the documents will be available on the website.

Celebration of the Lord’s Supper.

No new business

Meeting closed with prayer and benediction at 11:50 a. m. There were 146 people in attendance on the Zoom call.

Elders attending the meeting: Lisa Black, Barbara McLaughlan, Pam Shaw

PCW's Parkinsons Group Walk Around the Park

The Westfield Parkinson Support Group gathered in person for the first time in over a year on Monday, April 19. The combined Westfield and Madison groups have been meeting virtually via Zoom each week since April 2020. Fifteen fully-vaccinated members took a walk around Mindowaskin Park to raise money and create awareness about Parkinson's Disease. Westfield Mayor, Shelley Brindle, joined us to read a proclamation declaring that April is Parkinson's Disease Awareness month. She also walked with the group. It was truly a joy for our group to be able to be together again.

Through our local walk, the team raised over \$1,000 for the Parkinson Unity Walk event, which usually takes place annually in Central Park, NYC, attracting over 10,000 people from around the country each April.

It's not too late to sponsor our team at www.unitywalk.org and help support Parkinson's research. Just type in Westfield and our team name should pop up.

Through virtual meetings, the PD Support group was able to reconnect with members who are no longer able to physically come to meetings due to advancing disease or relocation. Members from Massachusetts, Pennsylvania and Somerset have been able to attend our virtual meetings and even join the walk via FaceTime! As we are now able to think about meeting in person again, virtual meetings will continue to be an important part of being a connected community of support for people with Parkinson's and their care partners.

New Jersey Festival Orchestra Is Back!

New Jersey Festival Orchestra, led by Music Director David Wroe, is about to restart the artistic engines with messages of hope, rebirth and spiritual enrichment.

Stars from international opera houses, the Broadway stage and Dance Theatre of Harlem return to NJFO for *New Beginnings*, a unique virtual presentation of renowned tenor fare, dazzling dance classics and Broadway favorites – just what the CDC recommends!

New Beginnings, a two-part complimentary series, was safely filmed at the magnificent Ward Mansion in Westfield. The elegant and inviting space transports viewers into a musical world of grace and fantasy. These must-watch virtual events also feature magazine-style segments as Maestro Wroe and guest artists shed light on the musical selections – and both events come free of charge thanks to generous support from NJ State Council on the Arts, The Westfield Foundation, James and John Ward and NJFO patrons Jerome and Helene Dreskin.

Part one premieres May 1. Part two will follow shortly after. Look for the free video link and more information about the program and artists on www.njfestivalorchestra.org. For questions, contact NJFO by email at patronservices@njfestivalorchestra.org or call (908) 232-9400.

Plant Xchange

Please join us in the church parking lot on Saturday, May 1st from 9:00- 11:00 a.m. for a plant exchange.

As you are splitting plants in your garden, just put one pest-free plant in a pot, label it, and bring it to exchange for something new! You can bring one or a dozen! You can set up your plants on a table, on the ground or in the trunk of your car. If your plants don't get picked up by anyone, they still have a home with you. You can bring outdoor plants, house plants, herbs, and even pots or gardening tools that you don't need anymore.

There is no cost, but you have to bring something to exchange to participate. Questions? Contact Lisa Black, lmb.blacklaw@gmail.com.

FISH Program Rotation Begins in A New Way!

We are going to start the FISH rotation again...sort of. The FISH Board has talked with all the participating congregations and all have agreed to start the rotation slowly in the following way: the houses of worship will follow the 2021 schedule by providing gift cards for food and possibly a homecooked meal when it is their week to host. The FISH Board is uncertain as to when our rotational shelter will re-open; for now all guests continue to be housed in local hotels.

The Presbyterian Church in Westfield will provide gift cards for meals for four weeks. If you would like to donate it is really simple. You can send cash or Zelle® donations to Tina Barulli at PCW with a notation that it is for FISH. We will get gift cards to each family for food for each of those weeks that we are "hosting."

Thank you for your continued prayers, donations and many contributions to this ministry. FISH changes lives and has been able to continue through these trying times.

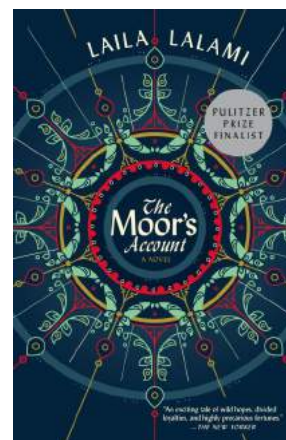

Lunch and a Book

Everyone is welcome to join us on May 21st (NEW DATE!!) from 12:00-1:00 via Zoom for the discussion of "The Moor's Account" by Laila Lalami, a Pulitzer Prize Finalist.

This book of historical fiction told from the perspective of a Moroccan slave who was part of the Narvaez expedition led by Cabeza de Vaca of Spain of the land eventually called Florida. This book offers a unique perspective of conquerors and the conquered.
